Judaline Cassidy Set as Closing Brunch Keynote Speaker

Judaline was one of the very first women accepted into Plumbers Local Union 371 Staten Island New York, and the first woman elected to the Examining Board of Plumbers Local Union No One. With her guidance, fortitude and determination she ushered in the first Women's Committee within her Union of which she's the President. She serves on the Advisory Board for the Women's Building NYC. In June of 2017 she established the nonprofit Tools & Tiaras Inc. The organization's primary goals are threefold: *Expose*, *Inspire* and *Mentor* young girls and women about the highly lucrative field of construction. She's been featured at the 2017 Makers Conference, Megan Kelley Show and BBC's *The Conversation*.

We're proud to have Judaline join our roster along with our Keynote Luncheon Speaker [Major MJ Hegar](#) to make this Annual Conference a POWERful event!

Early Bird registration begins March 1. More details will be coming soon.

Let Data & Analytics Empower Your Results

As the leading provider of risk solutions to the construction industry, Aon Construction Services Group partners with our clients to provide insightful analysis, strategic direction and creative solutions backed by

our dedicated team of construction experts and the strength of Aon's global network.

Change Your Profile Pic to Promote WIC Week

Profile picture frames are an easy way to show your support for WIC Week. Let's POWER up Facebook to raise awareness for our upcoming WIC Week! Share it with all your friends and co-workers. Encourage them to help find those ladies that haven't heard about NAWIC and all the benefits of membership. It may very well gain some new members!

Here's the link - www.facebook.com/profilepicframes/?selected_overlay_id=2244048069209197

If the link doesn't work for you, you can also add it by clicking on your profile picture to 'Update,' then choose 'Add Frame,' then you can search for "Women in Construction Week 2019."

A big THANK YOU to **Tania Bowman** of Dean Snyder Construction for helping get the word out with this cool new frame option on the Facebook platform. See her picture above.

WIC Week Posters are SOLD OUT

Just like that, the posters are all gone! No need to fret, pins are still available but just like those posters, supplies are limited and will be gone before you know it. Contact **Lori Wagner** at the National office to order your's before it's too late!

Damaged doors?

Re-Usable Jobsite Door Protection

1-2-3 Door Shield®, the original, re-usable door protection system, is highly effective against the most common construction and move-in damage to doors. It is easy to install, re-usable and cost effective.

For more information, visit 123doorshield.com or email rick@123doorshield.com.

 Rowan University

Rowan University's B.A. in Construction Management is a degree completion program for individuals in the construction industry who have an associate's degree or equivalent number of credits, and prefer to work while earning a degree. Endorsed by the North America's Building Trades Unions (NABTU), the program prepares individuals to supervise, manage, and inspect construction sites and associated facilities. Academic credit may be awarded for prior work experience.

WIC Week March 3-9, 2019

The focus of Women in Construction (WIC) Week is to highlight women as a visible component of the construction industry. WIC Week also provides an occasion for NAWIC's thousands of members across the country to raise awareness of the opportunities available for women in the construction industry and to emphasize the growing role of women in the industry. It is also a time for local chapters to give back to their communities.
